

## **Mimiko Flags Off Another Mega Primary School In Ikare**

Ondo State Governor. Dr Olusegun Mimiko on Wednesday performed the ground breaking ceremony of a Caring Heart Mega Primary School in Ikare- Akoko, headquarters of Akoko North East Local Government Area of the State with assurance that the project would be completed on schedule.

This brings to two the number of the mega schools as the one in Akure the State capital reaches an advanced stage of completion. Two of such schools would soon be flagged off in Okitipupa and Ondo by the Governor before the end of the year

The Governor, while performing the ground breaking ceremony informed the gathering that the school when completed would set a standard for successive government in the state concerning the type of infrastructural facilities to be put in place to enhance the standard of education.

He disclosed that the school would accommodate over 1,000 pupils and it would be equipped with modern facilities such as resort centre, event hall, Arts room, Computer centre and library among others.

Governor Mimiko, who commended the contractor handling the project for being pro-active, however charged the Olukare of Ikare, Oba Akadiri Momoh and the Owa Ale of Ikare, Oba Samuel Adedoyin to personally supervise the project with a view to ensuring speedy completion.

He reiterated his administration's commitment to providing quality education to the people of the state under a conducive environment. His words: "It is the belief of this administration that provision of quality education to the younger generation is the best legacy that could be bequeathed unto prosperity and all hands must be on deck to achieve this goal"

Earlier in his welcome speech, the State Commissioner for Education, Dr Pius Osunyanmi said the present administration in the state was committed to providing quality education to all the children of school age, stressing that no effort would be spared by his ministry to enable the Governor achieve his goal.

He, however, called on all stakeholders to provide regular and unalloyed moral support towards the maintenance of the project.
