

## Ondo set for ODSFA Academy tourney

Written by Tosin Omojola, Tribune.

ONDO State will be agog later this month as the Ondo State Football Agency (ODSFA) Zonal Academy competition will take the centre stage.

According to the supervisor of the Academy, , the competition is organised in order to achieve the objective of Ondo State governor, Dr Olusegun Mimiko whose dream is to have a real under 17 team.

"His excellency's dream is for the state to build a strong youth team, I mean players whose real age is not above 17 and so far, the camping exercise organised since the Academy took off has been yielding the desired goal," said Elder Adejube who is a boardmember of ODSFA.

Coordinator of the Academy, Kayode Afolabi said the camping exercise is in its ninth week adding that already selected players from all the Local Government Areas in the state are in camp training ahead of the zonal competition.

"So far, it has been a worthwhile exercise and we are happy that the 'catch them young' programme of the governor is becoming a reality. We have been able to discover talents who have what it takes to become world stars in the nearest future," said the former Gateway FC official.
